

Color Stripe Tubing

HelixMark Color Stripe Tubing

Organize Lines at a Glance

HelixMark Color Stripe silicone tubing is available with three choices of color striping: red, green, or white. Whether you want to recognize your lines at a glance by application, tubing size, or functional area, HelixMark Color Stripe Tubing gives you the flexibility to create your own system. Add non-stripe and custom colors to create as complex a system as necessary. Typical Hardness: 55 Shore A
